

NAIL
CREATION

Art no.:
G9138 + G9139 + G9141

TECHNICAL SHEET

GLAMAZONE FLEX BASE SANDY ROSE SPARKLE | GLITTER | DAZZLE

CHARACTERISTICS

- Extra durable
- Superior flexibility and adhesion
- Smooths
- Thick consistency
- With Glitters
- Soak off formulation
- Great for weak nails

STEP BY STEP

1. Prepare the nail according to the standard scheme.
2. Use Nail Scrub D30XX to dehydrate the nail and remove any debris.
3. Apply a thin layer of All System Bonding D4005 and let it completely dry in the air, for about 30 seconds.
4. Apply a thin layer of Glamazon Flex Base by rubbing it well into the nail, and cure 2 minutes under UV lamp / 60 seconds under LED lamp.
5. Apply a second, thicker layer of Glamazon Flex Base and shape it nicely with a brush to create a perfectly equal surface. Cure 2 minutes under UV lamp / 60 seconds under LED lamp.
6. Apply Glamazon Gel Polish Top Coat G9322. Cure 2 minutes under UV lamp / 60 seconds under LED lamp.

NOTE: Avoid any unnecessary movements to prevent formation of air bubbles due to the high viscosity of the product.

CURING TIME

120 SECONDS
36 W UV LAMP

60 SECONDS
24-48 W LED LAMP

NAIL CREATION.

BEST ESSENTIALS,
GREAT VALUE!

Nail Creation, since 1993

Nail Creation is an international brand for professional nail styling products that was established in 1993. Dedicated to supplying nail technicians with the best nail products available, Nail Creation has been advancing the technology of nail products in order to achieve maximum performance and perfect results. Nail Creation is among the leading brands in nail design worldwide and currently available in over 30 countries. Our largest market is Europe, where we are the market leader in several countries. Nail Creation specializes in both gel and acrylic for nail design and sculpturing.

Nail Creation is a strong brand, has a uniform international image, high-class presentation, and great profit margins. The nail industry is exceptionally dynamic and has its own unique developments and styling trends. With our own R&D department and production facilities, we have all products, know-how and training facilities in-house, which makes it possible to offer all new creative developments to the nail industry. We are committed to creating time-saving, effective products to enable technicians to work more efficiently, profitably and perfectly, nail after nail.
